

Printed on Think 4 Bright, a Carbon Balanced paper made from 50 per cent recovered fibre and 50 per cent fibre sourced from fully sustainable forests, and Amadeus 100 White Offset, which is made from 100% FSC® certified recycled fibre sourced from de-inked post-consumer waste.

All material used in this report has been independently certified according to the rules of the Forest Stewardship Council (FSC). All pulps used are elemental chlorine free, and the inks used are vegetable oil based. The manufacturing mills and the printer are registered to the Environmental Management System ISO14001 and are FSC chain-of-custody certified.
